Message From Our Manager

Welcome to our Autumn newsletter!

It has been a busy few months at Lighthouse Lodge, and we have enjoyed some lovely days both at home and out in the local community. One of the highlights was welcoming Wirral Classic Car Club, which gave residents plenty to talk about as they admired the cars and shared their memories. We also had a great afternoon at The New Brighton Hotel, enjoying live music and some good food.

Back at the home, we have been celebrating birthdays, spending time with our nursery friends and enjoying our usual mix of games and activities. With autumn now here, residents have also been busy with seasonal crafts and getting ready for Halloween.

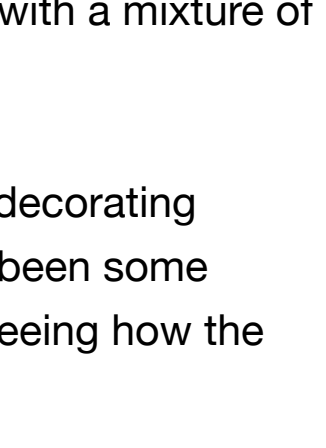

I hope you enjoy reading about what we have been up to, and thank you to everyone who continues to support life at Lighthouse Lodge.

ACTIVITIES & EVENTS

Making the Most of Autumn

We have been enjoying the change of season at Lighthouse Lodge, with a mixture of autumn activities and outings keeping everyone busy.

Residents have been getting creative with seasonal arts and crafts, decorating pumpkins and taking part in Halloween-themed games. There have been some interesting ideas around the craft table, and everyone has enjoyed seeing how the different creations turn out.

We have also been making the most of the opportunity to get outdoors, with autumn walks and trips out for coffee. It is always nice to have a change of scenery, whether that means enjoying the fresh air or finding somewhere comfortable to sit with a cuppa and have a chat.

We even managed to fit in a game of tennis! There has been a good variety of things to do, with residents joining in according to their interests.

Happy Birthday, Linda and Pauline!

We recently had two birthdays to celebrate at Lighthouse Lodge, with Linda and Pauline each enjoying a tea party to mark their special day.

We were also pleased to welcome the nursery children, who came along to join in with the celebrations. They helped us sing Happy Birthday and spent some time with residents, which was a lovely addition to the occasion.

Our residents always enjoy visits from the children, and it was particularly nice to have them involved in the birthday parties.

We hope Linda and Pauline both had a wonderful time, and thank you to our nursery friends for coming along and helping us celebrate.

A Visit from Wirral Classic Car Club

We had a real treat recently when Wirral Classic Car Club visited Lighthouse Lodge and Marine View Lodge Care Homes.

Residents, relatives, friends and colleagues came along to admire the classic cars, and there was plenty of interest in the different makes and models on display.

For many residents, the cars brought back memories of vehicles they had owned or driven in the past. There were stories about first cars, family journeys and favourite models, with everyone enjoying the chance to take a closer look.

It was also nice to share the visit with our friends at Marine View Lodge and spend some time together.

A big thank you to Wirral Classic Car Club for bringing the cars along and taking the time to visit us. We really enjoyed the afternoon and would be delighted to welcome you back.

An Afternoon at The New Brighton Hotel

We recently enjoyed a trip to The New Brighton Hotel for an afternoon of food, drinks and live entertainment.

Singer Magic Mike kept everyone entertained, and residents enjoyed listening to the music and joining in with the familiar songs.

There was also time to relax, enjoy something to eat and have a good chat. It was a nice opportunity to get out together and spend an afternoon somewhere different.

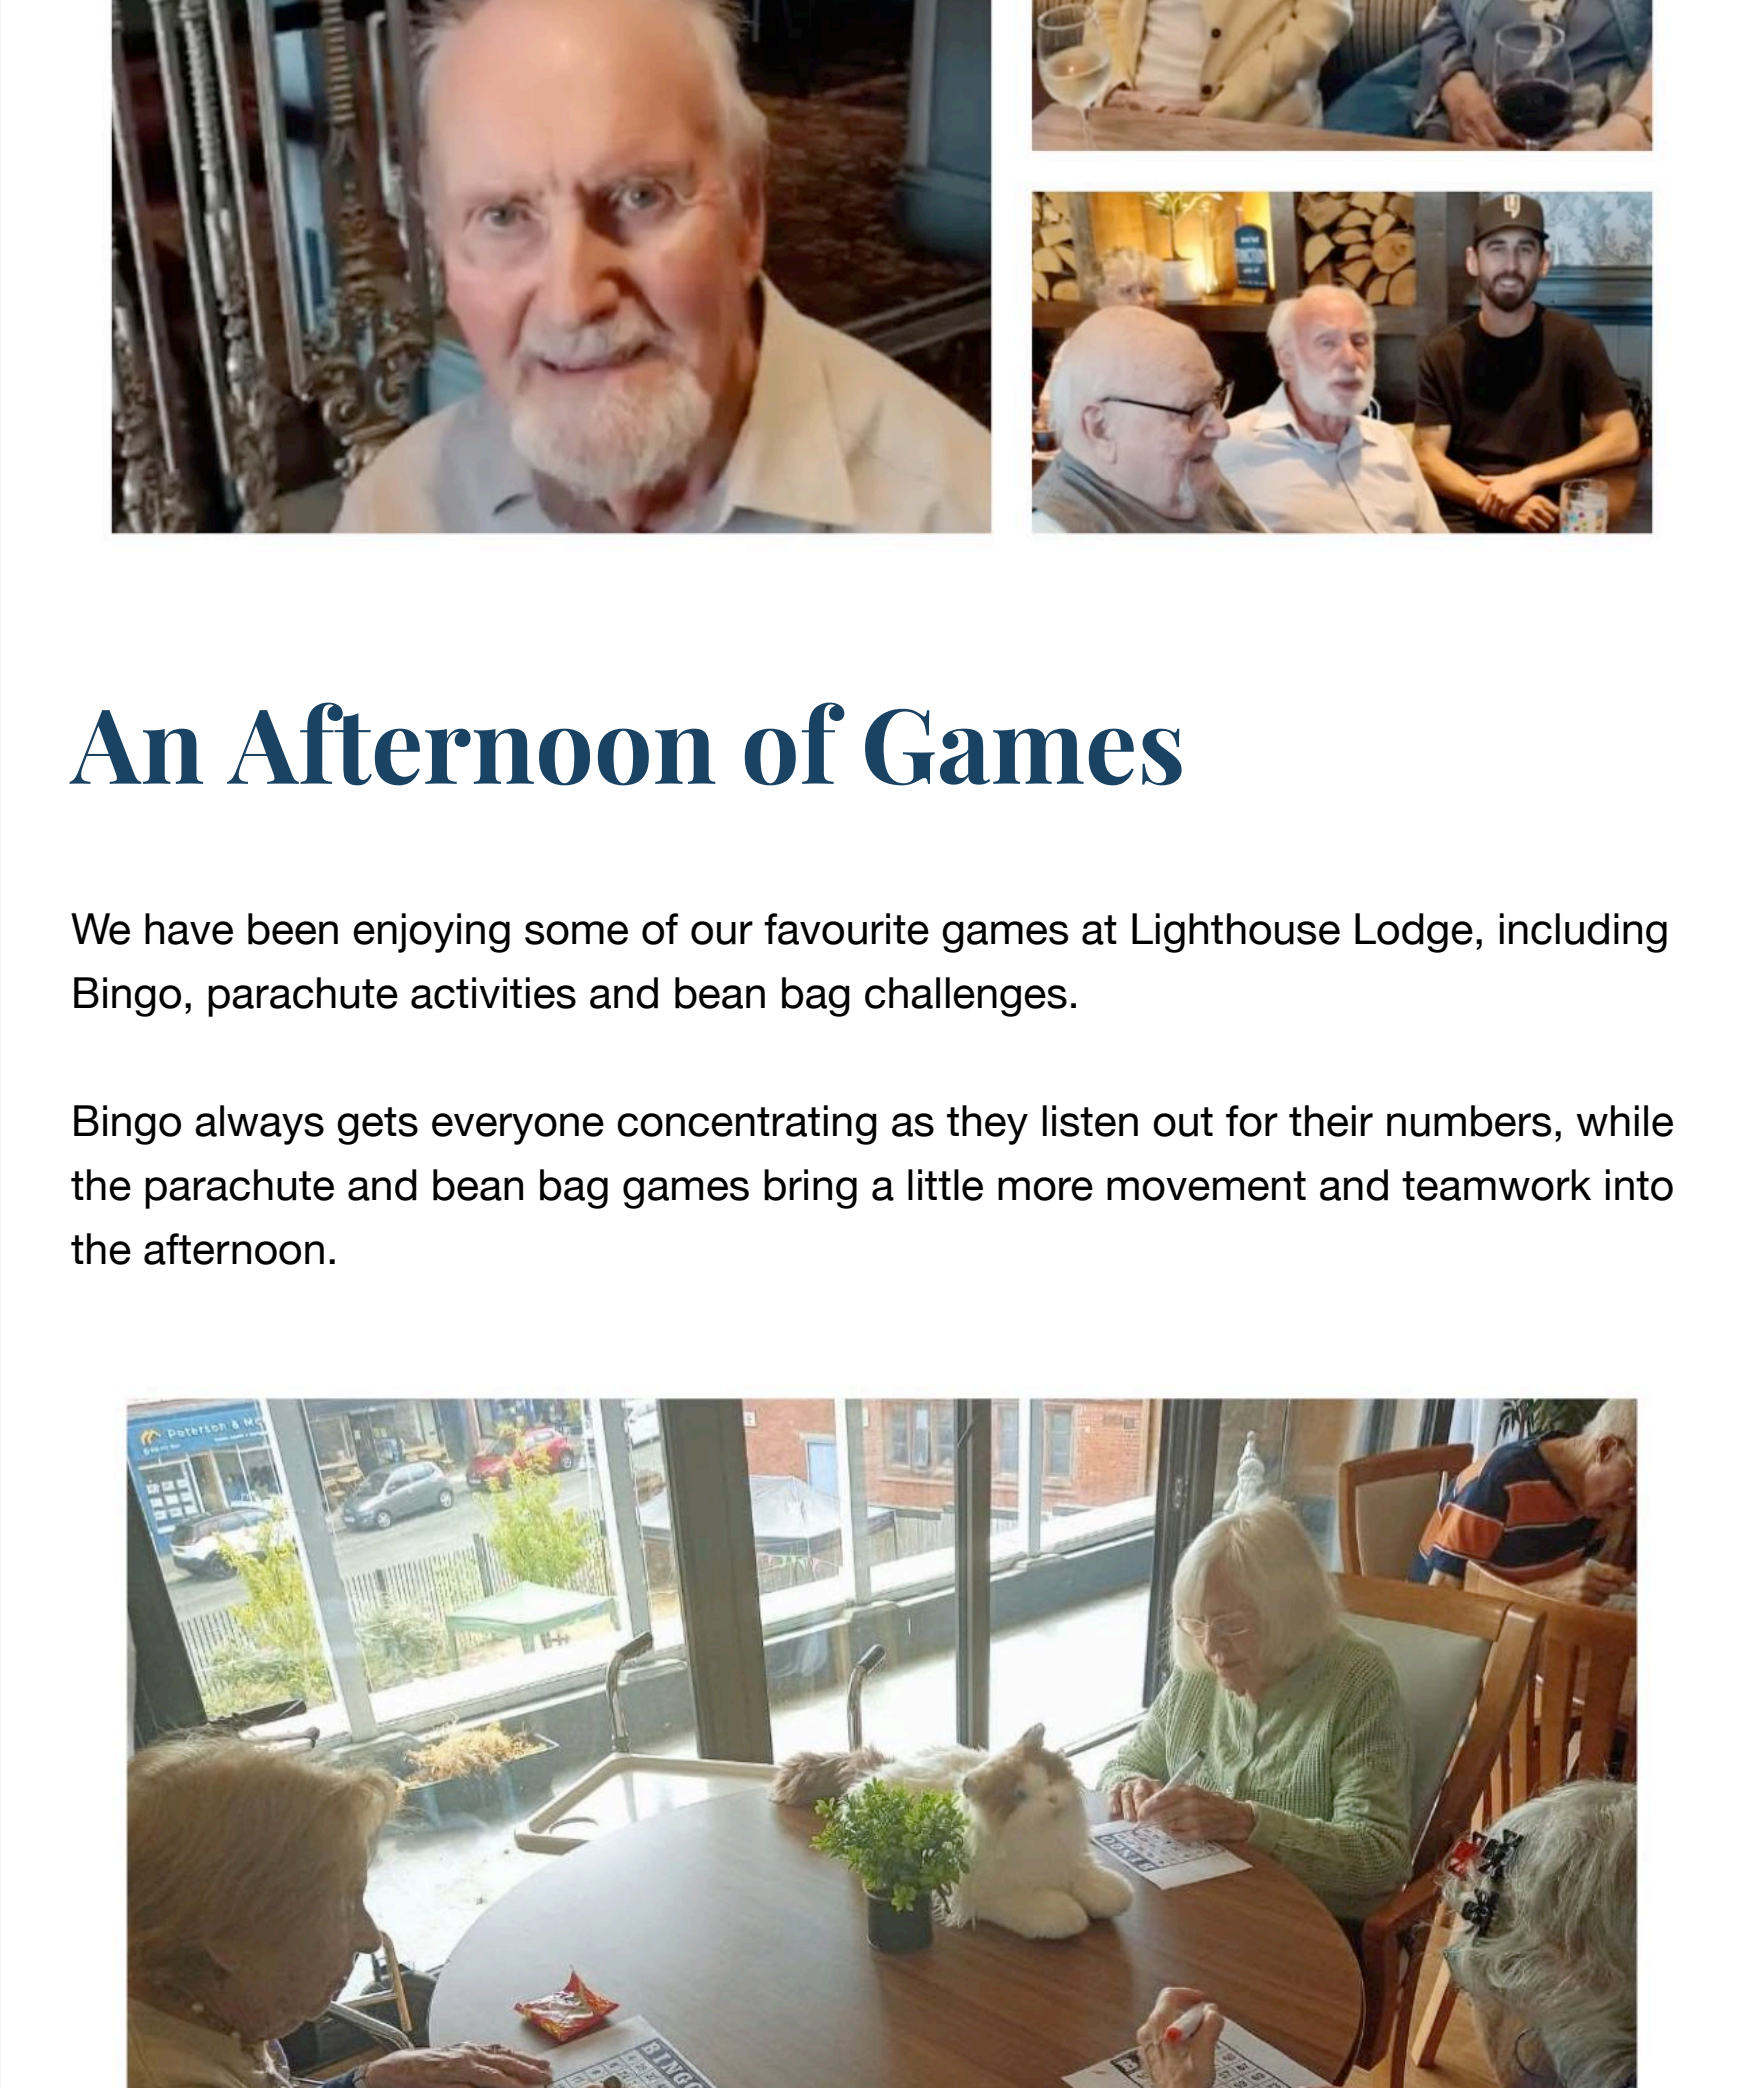

The team at The New Brighton Hotel Bar and Lounge made us feel very welcome, and we would like to thank them for looking after us. Thanks also to Magic Mike for the entertainment and to everyone who joined us on the outing.

An Afternoon of Games

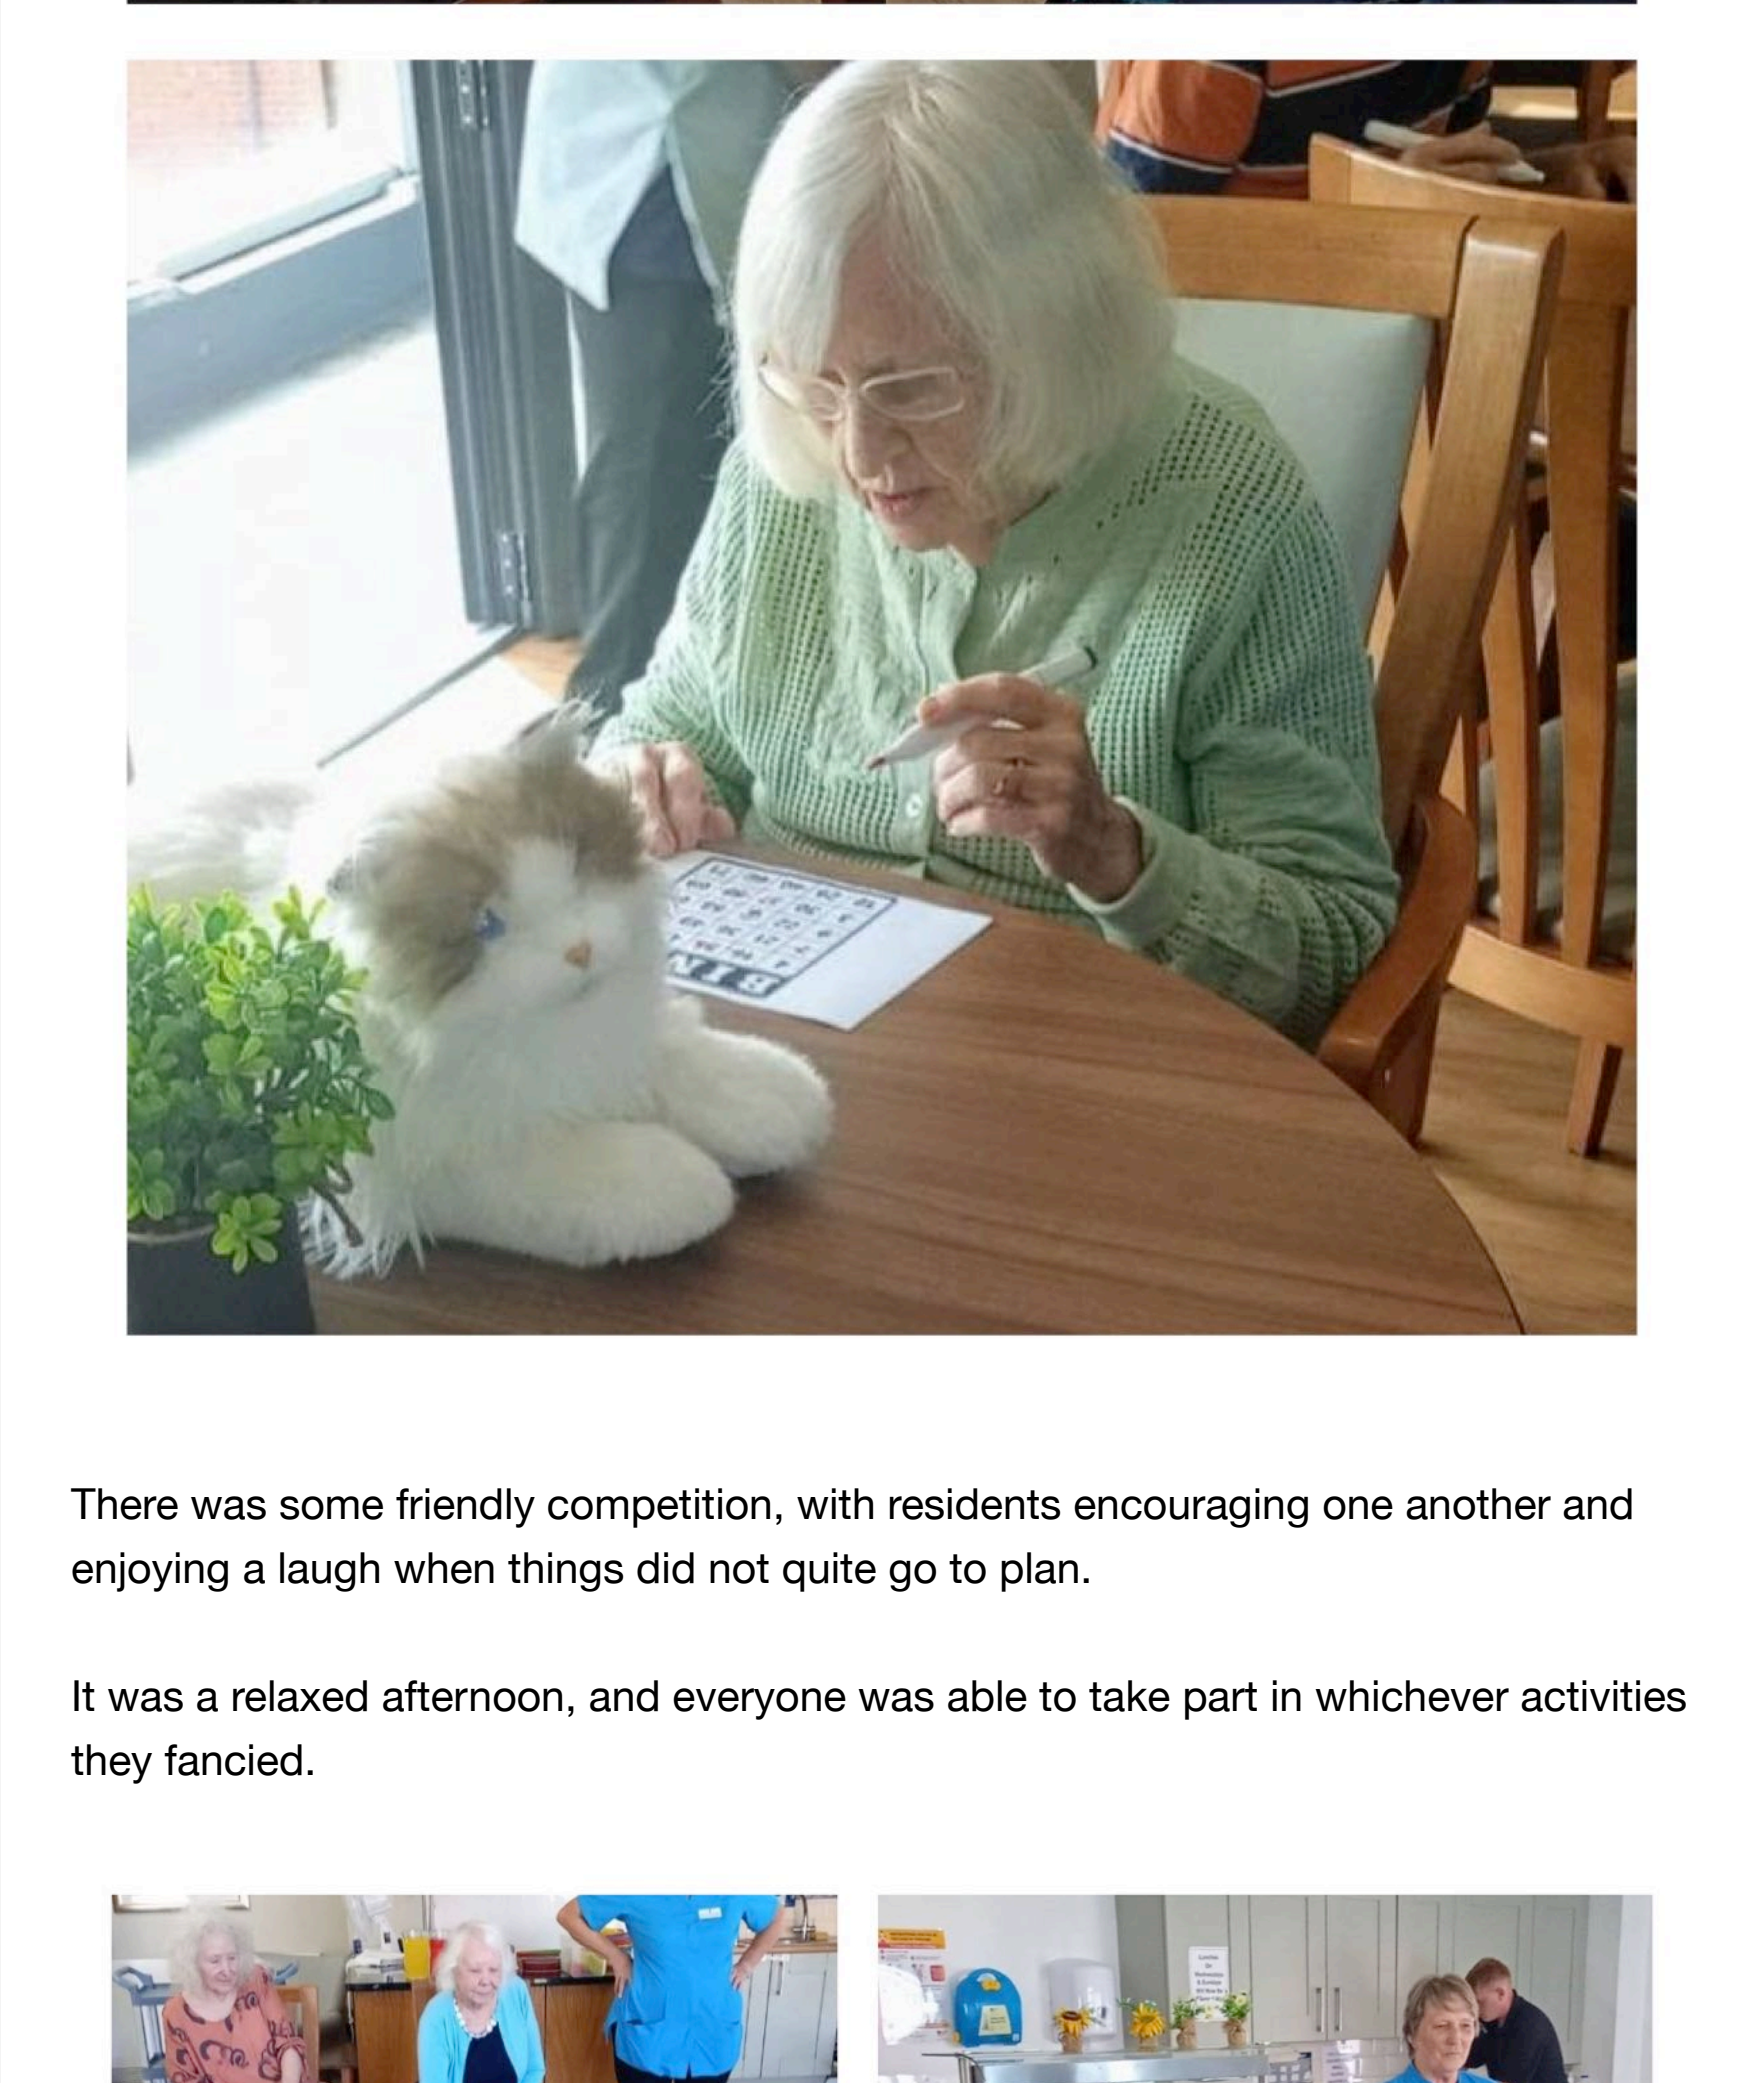

We have been enjoying some of our favourite games at Lighthouse Lodge, including Bingo, parachute activities and bean bag challenges.

Bingo always gets everyone concentrating as they listen out for their numbers, while the parachute and bean bag games bring a little more movement and teamwork into the afternoon.

There was some friendly competition, with residents encouraging one another and enjoying a laugh when things did not quite go to plan.

It was a relaxed afternoon, and everyone was able to take part in whichever activities they fancied.

COMING UP

Looking Ahead

As we head further into autumn, we will be continuing with our regular activities alongside more seasonal crafts and Halloween preparations.

We are also looking forward to more outings, visits from our nursery friends and opportunities to welcome local groups into the home.

Thank you to our residents, families, friends and colleagues for your continued support. We look forward to sharing more news from Lighthouse Lodge soon!
